# Silverton Fine Arts Festival is the place to satisfy your yearly art quest

We welcome you!!! The Festival has always been the cornerstone that supports the various educational programs we offer at the Silverton Arts Association.

In light of diminishing financial resources for art in our schools, particularly in the preschool through elementary grade levels, we are increasing our offerings to provide arts instruction for children through:

- workshops
- summer camps
- after school classes, and
- new programs to bring art into the schools.

You become an important contributor and supporter to these expanded programs by purchasing the fine artistic products offered in this festival.

We are delighted that you are participants in our eleventh Silverton Fine Arts Festival.

- Visit with our artists,
- Enjoy the fine entertainment,
- Enjoy the food at the international food court,
- Refresh yourself at the wine and beer garden,
- Enrich your inner artist with a visit to the art demonstrations and hands on activities, and
- *Please enjoy yourself!!*
